Bill Rasmussen, who co-founded ESPN in 1979 after being fired from a public relations job in the World Hockey Association, died Tuesday. He was 93.

Rasmussen died at his Florida home from the effects of Parkinson’s disease, an ESPN historian said. He announced in 2019 that he had been diagnosed with the degenerative disease in 2014.

“Bill was a remarkable man — a visionary and an innovator who conceived the idea of a network entirely devoted to sports,” ESPN chairman Jimmy Pitaro said in a statement. “Quite simply, none of us would be here today if it wasn’t for Bill’s passion and all the hard work and entrepreneurial spirit he put into building ESPN in the late 1970s — key aspects of our company culture that still carry on to this day.” https://abcnews.visitlink.me/i2hn3Q

Transparency and accountability should not be demanded from a single government office alone. The Office of the President issues travel authorities to numerous government offices, including its own officials and employees.

In this light, the public would surely appreciate full information on the travel expenses incurred by these offices and officials, including the public funds used for such trips.

From hereon, we expect that all travel authorities issued by the Palace, together with the corresponding travel expenses and public funds involved, be made available to the public.

The Sinukuan tree of the Philippines is known for a remarkable natural feature: when certain branches are cut, the wood can reveal a pattern resembling a cross.

The tree is particularly associated with Guimaras, where local tradition has long regarded this unusual marking with fascination. Some people have even kept pieces of the wood as amulets, especially around Good Friday, believing the cross-shaped pattern offered protection.

For Christians, however, its meaning should never be confused with superstition.

The wood itself has no supernatural power. Its significance is symbolic: the shape naturally calls to mind the Cross of Christ, the instrument of our salvation and the central sign of the Christian Faith.

In the Philippines, one of Asia's most deeply Catholic nations, such a natural formation is naturally understood through a Christian lens. The Cross is present throughout Filipino life — in churches, homes, schools, processions, roadsides and public devotion.

Creation can sometimes offer striking reminders of the Creator.

roadsides and public devotion.

Creation can sometimes offer striking reminders of the Creator.

If a branch bears the shape of the Cross, its proper response is not superstition, but remembrance: of Christ's Passion, His sacrifice and His victory.

The Cross remains at the center. ✝️

"Niu Lai," a Chinese animated film mocked as "terrible," which took as little as 200 yuan ($30) a day in the early days of its run has become an unexpected box-office hit.

The movie, which was met with scathing online reviews and is advertised with the tag line "No refunds," saw its box-office surge to 8.2 million yuan ($1.2 million) Monday, with nearly 300,000 admissions, with interest seemingly spurred by the negative publicity the film received.

CITY COUNCILOR NENE DELA LLANA PABOR NGA I-BAN ANG MGA BAYOLENTE NGA ONLINE GAMES

Pabor si Iloilo City Councilor Nene Dela Llana nga i-ban ang mga bayolente nga online games.

Ang pahayag ginhimo ni Dela Llana may kaangtanan sa naglapta nga impormasyon sa Zamboanga City nga "Roblox fanatic" ang Grade 9 student nga suspek sa pagpaniro sa Ateneo de Zamboanga University Junior High School campus kahapon. Duha ka estudyante ang napatay sa insidente lakip na ang suspek nga gintiro ang kaugalingon.

Sa interview sang DYRP Life Radio Iloilo, ginpahayag ni Dela Llana nga indi siya pabor nga i-ban ang social media. Matuod suno sa iya nga may maayo kag indi maayo nga epekto ang social media pero kinahanglan lang i-regulate ang paggamit sini.

Samtang pabor naman si Dela Llana nga i-ban ang mga bayolente nga online games. Paagi sini suno kay Dela Llana, malikawan nga mahiluan ang utok sang mga kabataan sa mga bayolente nga hilimuon.

US SANCTIONS SA ICC PRESIDENT, SENIOR TRIAL LAWYER

Pinatawan ng Amerika ng sanctions sina International Criminal Court (ICC) President Tomoko Akane at senior trial lawyer Abdoulaye Seye, ayon kay US Secretary of State Marco Rubio.

Bahagi ito ng kampanya ni US President Donald Trump
laban sa Hague-based court na itinayo noong 2022 para usigin ang war crimes, genocide, at crimes against humanity.

Hindi miyembro ng ICC ang US, pero noong nakaraang taon, naglabas ng executive order si Trump para i-authorize ang sanctions laban dito. | via Reuters

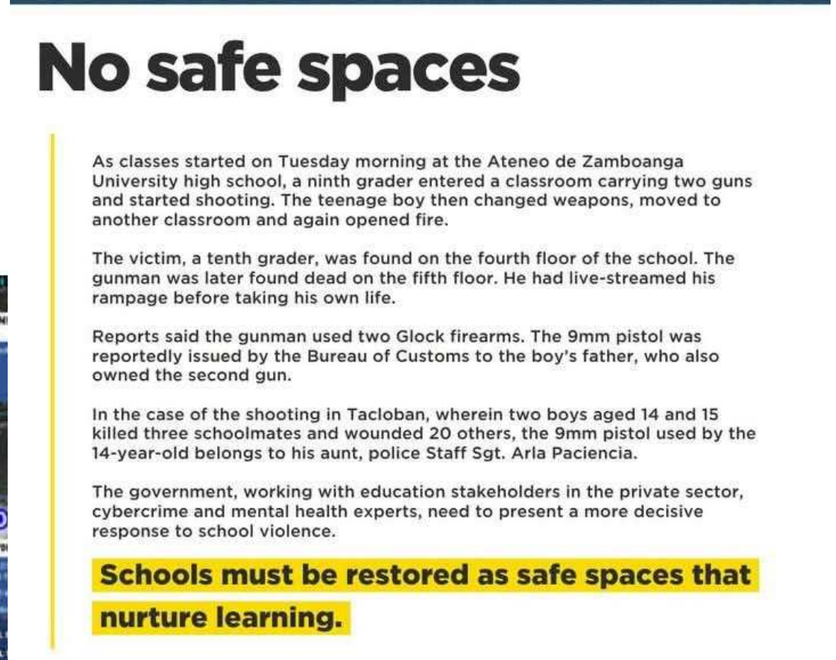
TODAY'S EDITORIAL: The deadly shooting... more



EDITORIAL
No safe spaces
As classes started on Tuesday morning at the Ateneo de Zamboanga University high school, a ninth grader entered a classroom carrying two guns and started shooting. The teenage boy then changed weapons, moved to another classroom and again opened fire.
The victim, a tenth grader, was found on the fourth floor of the school. The gunman was later found dead on the fifth floor. He had live-streamed his rampage before taking his own life.
Reports said the gunman used two Glock firearms. The 9mm pistol was reportedly issued by the Bureau of Customs to the boy's father, who also owned the second gun.
In the case of the shooting in Tacloban, wherein two boys aged 14 and 15 killed three schoolmates and wounded 20 others, the 9mm pistol used by the 14-year-old belongs to his aunt, police Staff Sgt. Arla Paciencia.
The government, working with education stakeholders in the private sector, cybercrime and mental health experts, need to present a more decisive response to school violence.
Schools must be restored as safe spaces that nurture learning.

ST. EZEKIEL MORENO IN THE PHILIPPINES
MANILA (1870)
On 10 February 1870, he arrived in Manila & lived in the now-extinct convent and formation house of San Nicolás in Intramuros (Recoletos) where he finished his theological formation.
PALAWAN (1872)
In February 1872, he was appointed chief missionary, penal colony and military chaplain of a missionary expedition whose objective was to set up a military stronghold and penal colony at Puerto Princesa in Palawan.
MINDORO (1873)
The Augustinian Recollect prior provincial then sent him to his first parochial assignment in Calapan, Mindoro.
ILOILO (MID-1870s)
He sailed to Jaro in the mid 1870s to receive tonsure and minor orders from the Dominican Bishop.
LAS PIÑAS (1876)
In 1876, he was assigned in Las Piñas and assisted the people during the drought season.
BATANGAS (1879)
Saint Ezekiel, it goes without saying, obeyed the superiors' wishes and travelled to his new ministry at Santo Tomás in Batangas.
NEGROS
St. Ezekiel travelled to Talisay to undergo treatment of his anemia under Fr. Fernando Cuenca.
CAVITE (1882-1885)
In 1882-1885, Saint Ezekiel administered the Recollect haciendas of Bacoor and Imus in Cavite. During the horrifying cholera plague, he took charge of the barrios of Mambog and Salinas in Bacoor where 3,200 perished in the bacterial epidemic.

UPDATE: DILG Sec. Jonvic Remulla urged to amend the law to make loose firearms a non-bailable offense again after the latest shooting incident at a school in Zamboanga City.

He said Republic Act 8294 or the "Robin Padilla" law—which revised penalties for illegal possession of firearms—led to a "surge in crimes" related to the use of firearms.

WITTY PINOY MOVIE TITLES

"Itlog", "Kangkong", at "Talong". Hindi 'yan mga pagkain kung hindi mga pamagat ng ilang pelikulang Filipino. Sa paglipas ng mga taon, hindi lamang mga eksena at mabibigat na palitan ng mga linya ang tumatak sa mga manonood, kundi maging ang mga nakakatuwa at makukulit na pamagat nito.

Dekada '70s at 80s nang mauso ang paggawa ng binansagang 'bold films' sa Pilipinas. Ito ay mga pelikulang may malalakas o lantad na temang sekswal. Madalas itong ginagamit para tukuyin ang mga pelikulang mas mature ang content kaysa sa mainstream Filipino films. Isa sa mga direktor na gumawa ng sexy films ay ang yumaong si Danny Zialcita. Bukod sa mapapangahas na eksena, tumatak din ang mga kakaiba niyang film titles gaya ng “May Lamok sa Loob ng Kulambo” (1984), na pinagbibidahan nina Eddie Garcia, Gloria Diaz, Tommy Abuel, Amy Austria, at Suzanne Gonzales. Ilan pa sa kaniyang mga pelikula ay ang “Nagalit ang Buwan sa Haba ng Gabi,” “Ito’y Isang Baliw na Baliw na Daigdig,” “Kapag Tumabang ang Asin,” “Anak sa Una, Kasal sa Ina,” “Hindi sa Iyo ang Mundo, Baby Porcuna,” “Kulang sa Init, Kulang sa Lamig,” “Si Malakas, si Maganda at si Mahinhin,” “Gaano Kadalas ang Minsan?,” “Hawakan Mo at Pigilan ang

“Kulang sa Init, Kulang sa Lamig,” “Si Malakas, si Maganda at si Mahinhin,” “Gaano Kadalas ang Minsan?,” “Hawakan Mo at Pigilan ang Kahapon,” “May Daga sa Labas ng Lungga,” “Lalakwe,” “Bakit Manipis ang Ulap?,” “Bakit Madalas ang Tibok ng Puso?” at “Bakit Iisa ang Pag-ibig?”

Kung pagalingan lang sa mga titulo ng pelikula, hindi rin papatalo ang direktor at National Artist na si Ishmael Bernal. Ilan sa kaniyang mga pelikula ay ang “Pito ang Asawa Ko,” “Dalawang Pugad, Isang Ibon,” “Mister Mo, Lover Boy Ko,” “Lumapit, Lumayo ang Umaga,” “Walang Katapusang Tag-araw,” “Isang Gabi sa Iyo, Isang Gabi sa Akin,” “Pahiram ng Isang Umaga” at “Nagbabagang Luha.” Ganiyan din ang tipo ng pamagat ng mga pelikulang ginawa ng direktor at National Artist na si Lino Brocka, gaya ng “Tinimbang Ka Ngunit Kulang,” “Gumapang Ka sa Lusak,” “Ang Tatay Kong Nanay,” “Ina Ka ng Anak Mo,” “Babangon Ako at Dudurugin Kita,” “Pasan Ko ang Daigdig,” “Makiusap Ka sa Diyos,” “Palipat-lipat, Papalit-palit,” “Natutulog Pa ang Diyos” at “Ama … Bakit Mo Ako Pinabayaan?”

Ilan pa sa mga pelikulang Filipino na may tumatak na pamagat ay ang “Dingding lang ang Pagitan,” “May Pulis, May Pulis sa Ilalim ng Tulay,” “Curacha, ang Babaeng Walang Pahinga, ” “Huwag Mong Buhayin ang Bangkay,” “Patikim ng Pinya,” “Walang Matigas na

PAHAYAG SA SHOOTING INCIDENT SA ATENEO DE ZAMBOANGA UNIVERSITY
AUGUST 18, 2026

Napakahirap tanggapin na may isa na namang school shooting na kailangang harapin ang ating bansa.

Sa ngayon, hindi pa natin masasabi kung may koneksyon ito sa Nihilistic Violent Extremism (NVE) o sa iba pang online communities na sinimulan nating suriin matapos ang Tacloban shooting.

Sa totoo lang, kung ang karahasan ay hindi lamang ginagawa kundi idinidisplay, ginagaya, at nili-livestream pa, mas malaki at mas malalim ang problemang kailangang harapin natin bilang isang lipunan.

Bilang Chairperson ng Senate Committee on Women, Children, Family Relations, and Gender Equality, itutuloy natin ang trabaho laban sa NVE, sa online grooming for serious violent activity, at iba pang banta sa kaligtasan ng ating mga anak sa susunod nating pagdinig sa Huwebes.

Pangunahing layunin ng mga hearing na ito na matukoy kung ano ang kailangan nating baguhin sa paaralan at online environments ng kabataan upang kailanman ay hindi na ito maulit muli.

Lubos akong nakikiramay sa mga pamilyang nawalan ng mahal sa buhay, at sa mga estudyante, guro, at magulang na kailangang harapin ngayon ang takot at trauma ng nangyari.

Hindi dapat matutong mabuhay sa ganitong takot ang ating mga pamilya. Makakaasa kayo na gagawin natin ang lahat upang mapakilos ang gobyerno at maprotektahan ang ating mga anak.

SENATOR RISA HONTIVEROS

Put yourself in that boat at sunrise. You've been out all night and caught nothing.

Your arms are shot. The nets are already washed and stowed. You want breakfast and a mat, in that order.

Then a carpenter from Nazareth tells you to push back out and drop the nets again. In daylight. In deep water.

Everything you know says no. You've fished this lake your whole life. Nobody catches anything here at this hour.

You do it anyway. And the net starts tearing.

Here's the part most people miss. Simon does not ask Jesus to bless the business. He drops to his knees in a boat full of fish and says, "Go away from me, Lord. I am a sinful man" (Luke 5:8).

That's the strange part. The miracle is a good one. Nothing about it is frightening. But the man who has been fishing since he was a boy has just watched a stranger command his own trade better than he can, and something in him understands who he's standing next to.

understands who he's standing next to.

You don't kneel over the fish. You kneel over what the fish tell you.

Here's what you're looking at. Top: the northwestern shore around 27 AD, boats riding low with the catch. Bottom: that same shoreline today, the same tamarisk scrub, the same brown hills of the Golan across the water. Fishermen still work this lake before dawn.

Where has God been telling you to go back out, and you've already decided it won't work?

PAULO AVELINO GIVES CUTE DATE ENERGY IN TRAVEL DIARIES ☕🌉

So, this is what spending a laid-back day with Paulo Avelino looks like! 😌 The actor looked back at his recent trips, wherein he explored scenic cities like Sydney, Australia, and Paris, France.

From taking in the sights by the iconic Sydney Opera House to taking snaps at the Place Charles de Gaulle, Paulo enjoyed each city at an easy pace, as seen on his Instagram page last August 15. Naturally, coffee made its way into the itinerary, with his candid photos making the whole stroll feel like a virtual date with the actor. ☕📸

“Kape, konting lakad, at paminsan minsan na random updates 😅,” quipped Paulo.

"Nagkakaroon ng misconception, misinterpretation, misunderstanding."

Palace Press Officer Claire Castro brings up the heckling of students against President Ferdinand Marcos Jr. during his visit to Davao City in July, as she explains her controversial statement about some teachers being responsible for the conduct of youth.

"Hindi katanggap-tanggap para mga kabataan ang magsalita nang ganito," she says about the heckling incident.

She also presents a screenshot of a teacher allegedly teaching students insulting words about the president. She adds that the teacher is now facing an administrative complaint, citing a DepEd update.

Castro points out that her statement about teachers was "misinterpreted, misconceived, and misunderstood," insisting she never blamed teachers for school violence.

"Sa mga guro, hindi ko kayo sinsisi. Ito ay pagpapaalala."

UPDATE: Palace Press Officer Claire Castro defended her statement that some teachers exhibit improper conduct and teach their students to be disrespectful.

'Wala po tayong sinisisi na mga guro; ito ay pagpapaalala sa ating mga kagalang-galang na mga guro kung ano po ang kanilang malaking role bilang tagahubog ng magandang kaugalian lalung-lalo na sa mga kabataan,' she said at a briefing.

She then presented printed news articles that she said served as the basis for her statements.

The articles included a report about a teacher allegedly teaching students insulting words directed at President Ferdinand Marcos Jr., as well as an incident in which students heckled Marcos. | via Luisa Cabato, **INQUIRER.net**

PRESIDENT MARCOS RADIO-TV STATEMENT ON THE DECLARATION OF MARTIAL LAW, 23 SEPTEMBER 1972

My countrymen, as of the 21st of this month, I signed Proclamation No. 1081 placing the entire Philippines under martial law. This proclamation was to be implemented upon my clearance and clearance was granted at 9 o'clock in the evening of the 22nd, last night.

I have proclaimed martial law in accordance with the powers vested in the President by the Constitution of the Philippines. The proclamation of martial law is not a military takeover. I, as your duly elected President of the Republic, use this power which may be implemented by the military authorities but still a power embodied in the Constitution to protect the Republic of the Philippines and our democracy. A republican, a democratic form of government is not a helpless government. When it is imperiled by the danger of violent overthrow, an insurrection or a rebellion, it has inherent and built-in powers wisely provided for under the Constitution.

Such a danger confronts the Republic of the Philippines. Article 7, Section 10, paragraph 2 of the Constitution provides and I quote:

"The President shall be Commander-in-Chief of all the Armed Forces of the Philippines and whenever it becomes necessary he may call out such armed forces to prevent or suppress lawless violence, invasion, insurrection or rebellion. In case of invasion, insurrection or rebellion or imminent danger thereof, when the public safety requires it, he may suspend the privileges of the writ of habeas corpus or place the Philippines or any part thereof under martial law."

I repeat: This is not a military takeover of civilian government functions. The government of the Republic of the Philippines which was established by our people in 1946 continues. The officials and employees of our national and local governments continue in office and must discharge their duties as before within the limits of the situation. This will be clarified by my subsequent orders which shall be given wide publicity.

Thus, I also issued General Order No. 3 wherein I directed that in view of the proclamation of martial law, which proclamation and other orders incidentally will after this broadcast be read by the Press Secretary, in view of such a proclamation and in order to make more effective the implementation of such a proclamation without unduly affecting the operations of the government and in order to end the present national emergency within the shortest possible time, I have ordered that all executive departments, bureaus, offices, agencies and instrumentalities of the national government, government-owned or controlled corporations, as well as all governments of all the provinces, the cities, the municipalities and barrios throughout the land shall continue to function under the present officers and employees and in accordance with existing laws until otherwise ordered by me or by my duly designated representative.

‘HINDI KO PO KAILANMAN HINDI BIBIGYANG-GALANG ANG MGA GURO’

Palace Press Officer Claire Castro clarifies her statement about the role of teachers, saying she's not blaming them in the recent school incidents.

“Unang-una ay wala po tayong sinisisi na mga guro. Ito ay pagpapaalala sa ating mga kagalang-galang na guro kung ano po ang kanilang malaking role bilang taga-hubog ng magandang kaugalian lalong-lalo na sa mga kabataan,” she said on Wednesday.

Castro also presented instances where some students and teachers allegedly use “insulting” words, explaining the context of her "reminder."

“Ito ay patungkol sa nangyari sa naganap sa Davao City kung saan may mga estudyante mismo, may mga sinasabi habang nandodoon ang Pangulo. Mahirap banggitin ‘yung words. Hindi katanggap-tanggap para mga kabataan ang magsalita ng ganito,” Castro added.

“Isa po itong [illegible] guro. Hindi na po namin babanggitin kung sino po ito at kung anong paaralan. Dito po, mismong estudyante niya ang tinuruan niya ng mga salitang mapang-insulto,” she uttered, showing a screenshot of the said video.

“Isa po itong video na gawa ng isang guro. Hindi na po namin babanggitin kung sino po ito at kung anong paaralan. Dito po, mismong estudyante niya ang tinuruan niya ng mga salitang mapang-insulto,” she uttered, showing a screenshot of the said video.

Castro reiterated that she will never offend teachers as her late mother was a public school teacher.

“Hindi ko po kailanman hindi bibigyang-galang ang mga guro, dahil ang aking ina, hindi pa po ako pinapanganak ay isang public school teacher sa Malolos,” she reiterated. (Screenshots/RTVM)

OUR OWN ILONGGO TENNIS ACE

As the country cheers for Alex Eala and the new generation of Filipino tennis, we have even more reason to keep our eyes on a young player much closer to home.

Meet Anthony Bjorn “Ting” Castigador of Calinog, Iloilo.

Ting proudly carried the Philippine flag at the Asian Tennis Federation Under-16 Boys tournaments in Hokuto, Japan, bringing home one gold and one silver medal in singles and one silver medal in doubles, along with a semifinal finish in another doubles event.

During our 57th Regular Session yesterday, we presented Ting with Resolution No. 2026-08-59, sponsored by Board Member Dominic Paul Oso and co-sponsored by yours truly, recognizing his achievements and the pride he has brought to Calinog and the Province of Iloilo.

Ting was joined by his parents, Bobby Joe Castigador and Teresita Gragasin Castigador, who have been with him through the training, sacrifices, and hard work behind every competition and every medal.

It is always worth recognizing young Ilonggos

Aug 19, 2026 13:38:38

It is always worth recognizing young Ilonggos like Ting while they are still making their way up. Every tournament is another chance to learn, compete, and take Iloilo with them wherever the sport brings them. Padayon lang, Ting.

Basi ang sunod nga ngalan nga pagahugyawan sang Pilipinas, halin naman sa Iloilo. 🎾🇵🇭

A mom and daughter were told to cover their XX-XY shirts or leave the arena, right in the middle of overtime.

Kasey and Annie Thomason say a security guard told them another fan found their shirts "offensive" and gave them a choice: put on Atlanta Dream "Wellness & Health Night" shirts or be escorted out.

"Biology and science is offensive?" Kasey asked before the pair reluctantly covered up so they could watch the final minutes of Indiana's 95–91 victory.

Remember this when high school students from Davao City cursed the president:

“Sana sum@b0g”
“Nagmamadali 'yan baka m@bar1l”
“Bangag”
“Yawa”
“Mam@tay ka, h@yop”

All these ill words came from students who were taught that cursing someone, especially the president, is okay.

Kapag nakikita ng mga bata na 'yung mga iniidolo nilang politiko ay nagmumura at nagbabanta, ginagaya nila 'yun. Iisipin nila na okay lang maging bastos at bayolente kasi 'yun ang nakikita nilang ginagawa ng mga matatanda.

Dito hinuhubog ang kabataan sa kulturang okay lang magbanta, okay lang magmura, at mas okay lang ang pumatay. This is where the culture of violence begins—from adults who normalize this kind of behavior.

‘I-REPEAL NA ANG ‘ROBIN PADILLA LAW’’

Interior and Local Government Secretary Jonvic Remulla urged lawmakers to repeal the “Robin Padilla Law” or the Republic Act No. 8294, following the recent school shooting incidents.

“The ‘Robin Padilla Law,’ which extinguished culpability and made it a bailable offense, has led to a surge of crime precisely because loose firearms is a bailable offense,” Remulla said in a press conference on Wednesday.

“Maraming salamat po sa aking itinuturing na kaibigan SILG Jonvic Remulla sa pagconfirm sa mga hindi nakakaalam na meron po talaga na Robin Padilla Law na nagpawalang saysay sa batas militar o martial law na kung tawagin ay PD1866,” Senator Robin Padilla said in his Facebook post.

‘MARAMING SALAMAT PO SA AKING ITINUTURING NA KAIBIGANG SEC. JONVIC REMULLA SA PAG-CONFIRM’

Ito ang tugon ni Sen. Robin Padilla kasunod ng pahayag ni Interior Sec. Jonvic Remulla na tumaas ang gun-related crimes sa bansa dahil sa Robin Padilla Law o Republic Act No. 8294.

“The ‘Robin Padilla law (Republic Act No. 8294), ’ which extinguished culpability and made it a bailable offense, has led to a surge of crimes, precisely because loose firearms is a bailable offense,” naunang pahayag ni Remulla.

“Maraming salamat po sa aking itinuturing na kaibigan SILG Jonvic Remulla sa pag-confirm sa mga hindi nakakaalam na meron po talagang Robin Padilla Law na nagpawalang saysay sa Batas Militar o Martial Law na kung tawagin ay PD1866,” sagot naman ni Padilla.

CIBAC REP. BRO. EDDIE VILLANUEVA: ZAMBOANGA SHOOTING A REPEATED WAKE-UP CALL TO STREN... See more

The tragic shooting incident at a school in Zamboanga City, which claimed the lives of two students, is a repeat wake-up call of an urgent need to guide and protect our young people. We extend our deepest condolences to the families of the victims and pray for God's comfort and strength.

We cannot address violence by focusing only on what happens inside our schools. The home is the first school, and parents are the first teachers. Raising a generation who respects life and exercises self-discipline is not only a role of the schools, it is a whole-of-society responsibility.

This is the reason why we filed House Resolution No. 1279 which calls for a review of the implementation of existing laws and policies on values education, anti-bullying, and school safety.

It is also high time to institute appropriate regulation of our children's exposure to social media. We are calling for the immediate passage of our House Bill No. 8262, or the Social Media Protection for Minors Act, which provides for stronger safeguards against harmful online content and practices that put minors at risk.

We cannot afford not to face this serious issue that keeps on repeating and haunting our children's welfare for long. We need to find the gaps and flaws in our policies and its implementation, and address them rightly and swiftly.

WHAT IS
Visio Divina?
Visio Divina means "divine seeing." It's the practice of praying with a sacred image or work of art. By incorporating art into prayer, visio divina invites us to bring our sense of sight as well as our imagination into our relationship with God.

Naghihiyawan at nanginginig pa habang dinadasalan ng kanilang pastor ang mga dumalo sa worship service sa Bayawan City, Negros Oriental.

At nang ikinumpas na ng kanilang pastor ang kanyang kamay, ang mga nakatayong miyembro, biglang nagsitumbahan at nangingisay-ngisay pa!

Gaano katotoong ang mga dinadasalan, diumano, nilukuban daw ng Espiritu Santo?! Panoorin ang video sa link na nasa comment section. #KMJS

DARRYL YAP, GALIT NA GALIT KAY USEC CASTRO

Umalma ang direktor na si Darryl Yap laban kay PCO Undersecretary Claire Castro kaugnay ng usapin sa papel ng mga guro matapos ang pamamaril sa Ateneo de Zamboanga University Junior High School.

Sa isang pahayag, sinabi ni Yap na kapwa retired public school teachers ang kanyang mga magulang bago niya ihayag ang kanyang matinding reaksiyon kay Castro.

Patuloy namang pinag-uusapan online ang magkabilang panig ng isyu, partikular ang pananagutan ng paaralan, mga guro, magulang, at iba pang sektor sa pag-iwas sa karahasan sa mga paaralan.

TRIGGER WARNING: Sensitive Content

'TOP OF HIS CLASS SIYA'

Interior and Local Government Secretary Jonvic Remulla said that they are investigating the reason why a student opened fire at Ateneo de Zamboanga University junior high school on Wednesday.

"As per reports, he was a Grade A student, parang top of his class siya. So far, ang report ng Ateneo walang incidence of bullying sa kanya. We are going to check kung ano 'yung nag-trigger ng kanyang depression," he said during a press briefing on Wednesday.

"Kasi Roblox, 'yung chat group na 'yan, only encourages you. Pero deep down inside, may problema 'yung bata and we are trying to ascertain 'yan kung ano talaga siya," Remulla added.

Remulla said that the Grade 10 victim of the shooter was also an honor student.

"For all accounts, 'yung bata daw na 'yun napakabait. Honor student din, parehas niya. Parang lahat ng biktima, wrong place at the wrong time ang nangyari," he said. (Screenshots/ DILG)

Maraming salamat, Kapamilya! ❤️

During ABS-CBN's Annual Stockholders' Meeting, president and CEO Carlo Katigbak shared some of the company's milestones across TV, music, film, digital, news, and global markets—achievements made possible by the continued trust and support of its audiences, partners, and Kapamilya.

From BINI's 2 billion streams and historic Coachella debut, the strong performance of "FPJ's Batang Quiapo" and "It's Showtime," Star Cinema's films leading the 2025 Philippine box office, and ABS-CBN's growing community on YouTube, the company remains grateful for every opportunity to bring Filipino stories and talent to audiences here and around the world.

These milestones inspire ABS-CBN to keep creating, collaborating, and finding new ways to serve Filipinos through stories that matter.

LUMILIIT NA ANG PUZZLE SA LEVISTE–ALIAS KEN STORY

Para sa mga hindi updated: umiikot ngayon ang eskandalo kina Rep. Leandro Leviste, dating congressman Jing Paras, at talent manager na si “Alias Ken.”

Ayon kay Ken, may umano’y planong gumamit ng mga babae para gumawa ng damaging allegations laban kay Executive Secretary Ralph Recto, isang alleged honey trap o character-assassination operation. Nadawit ang pangalan ni Leviste dahil, ayon sa kuwento ni Ken, siya umano ang posibleng source ng pondo.

Pero habang tumatagal ang imbestigasyon, may isang bagay na lalong nagiging mahirap i-ignore: maraming detalye sa skeleton ng kuwento ni Ken ang hindi na talaga dini-deny.

At habang dumarami ang tanong, si Leviste naman ay wala sa Pilipinas. Nauna siyang hindi humarap sa NBI subpoena, kalaunan abogado ang humarap para sa kanya, at ininvoke niya ang right to remain silent. Ayon din sa NBI, umalis siya ng bansa noong August 2.

Legal right ang manahimik. Pero ibang usapan ang public accountability ng isang congressman kapag pangalan mo ang paulit-ulit na lumilitaw sa isang national scandal.

At doon nagiging mas interesting ang lahat.

• Ken: may meetings kasama ang mga babae at mga abogado.
Atty. Orlando Mendiola: oo, nakipag-meeting talaga sila kay Ken at sa mga babae noong July. Ang paliwanag: ini-interview lamang nila ang mga babae.

So yes, may meeting.

• Sino ang nagpatawag sa lawyers?
Ayon mismo kay Mendiola: Jing Paras.

So may Ken. May mga babae. May Paras. May lawyers.

Pero eto ang tanong:

• Kaninong lawyers?
Inamin din ni Mendiola na ang kanilang firm ay kumakatawan kay Leandro Leviste sa ibang mga kaso. Sabi nila, hindi sila nandoon bilang lawyers ni Leviste sa incident na ito.

Possible.

Pero bakit itong particular na l

2026-08-19 16:28:05

Pero bakit itong particular na law firm ang ipinatawag ni Paras? Bakit sila? Sino ang nag-connect kanino? At bakit sa gitna ng isang sensitibong operasyon na may mga babae, affidavits at milyon-milyong piso, lumilitaw ang parehong mga tao?

At habang kailangang sagutin ang mga tanong na iyan, nasaan si Leviste?

Nasa abroad. Abogado ang humaharap. Siya, tahimik.

• May affidavits din pala.
Kinilala ng kampo ni Paras na tumawag siya ng lawyers para tumulong sa affidavits o statements ng mga babae.

Ken’s version: parte raw iyon ng paggawa ng fabricated allegations. Paras’ version: legitimate statements iyon ng mga babae.

Notice what is no longer being debated.

Hindi na kung may lawyers. Hindi na kung may affidavits.

Ang tanong na ngayon: ano ba talaga ang laman ng mga iyon? Sino ang nagbigay ng instructions? Sino ang nag-edit? Sino ang may gustong lumabas na kuwento? At sino ang dapat makinabang kapag lumabas ar

Ang tanong na ngayon: ano ba talaga ang laman ng mga iyon? Sino ang nagbigay ng instructions? Sino ang nag-edit? Sino ang may gustong lumabas na kuwento? At sino ang dapat makinabang kapag lumabas ang kuwento?

• Yung ₱5.5 million na sinasabi ni Ken? May usapan nga tungkol sa milyon-milyong piso. Kinilala ng kampo ni Paras ang humigit-kumulang ₱5.5 million to ₱6 million na funding discussion.

Pero magkaiba ulit ang kuwento:

Ken: pondo umano para sa operation.
Paras camp: financial assistance para sa seguridad, pagtatago at expenses ng mga babaeng witnesses.

Same money discussion. Very different explanation.

So ang tanong: bakit kailangang umabot sa milyon ang operasyon? Sino ang maglalabas ng pera? Sino ang nag-compute? Sino ang dapat tumanggap? At bakit eksaktong ganitong halaga ang lumilitaw sa magkabilang kuwento?

Tapos dumating ang pinakamalaking twist.

• Si Leviste pala ay talagang naging bahagi ng funding conversation.
Sa recent interview, sinabi ni Jing Paras na si Alias Ken mismo raw ang nag-suggest na lapitan si Leandro Leviste para pondohan ang alleged operation.

Diyan lalong nagiging interesting ang lahat.

Kasi dati puwedeng itanong: “Bakit isinisingit ni Ken ang pangalan ni Leviste?”

Ngayon, ayon kay Paras mismo, napag-usapan pala talaga ang posibilidad na hingan ng pera si Leviste.

So ang tanong na ngayon: kung si Ken lang daw ang nagpasok ng pangalan ni Leviste, bakit Leviste? Bakit siya ang naisip na posibleng financier? Bakit hindi random businessman? Bakit hindi ibang politiko?

May nag-follow up ba? May tumawag ba? May nag-message ba? May nag-approach ba talaga kay Leviste?

At kung wala, bakit umabot sa puntong pinag-uusapan na siya bilang source ng milyon?

Kaya tingnan natin ang puzzle pieces:

• Alias Ken: totoong kilala ni Paras
• Meetings: totoong nangyari
• Mga babae: totoong present
• Lawyers: totoong present
• Paras: siya raw ang nagpatawag sa lawyers
• Lawyers: may existing professional relationship kay Leviste
• Affidavits: totoong pinag-usapan o ginawa
• ₱5.5M–₱6M: totoong may funding discussion
• Leviste: totoong nabanggit bilang possible source of financing
• Leviste: wala ngayon sa Pilipinas at sa pamamagitan ng abogado humarap sa NBI habang ginagamit ang kanyang right to remain silent

At may isa pang development na lalong nagpapabigat sa optics.

Hiwalay sa honey-trap investigation, mismong Office of the Ombudsman ay nagsabing “suspicious” na sila sa continued overseas travel nina Leviste at Sen. Loren Legarda kaugnay naman ng ibang graft at plunder allegations. Ayon sa Assistant Ombudsman, humingi si Leviste ng travel authority na dalawang buwan, mula July 26 hanggang September 24.

Again: ibang kaso iyon.

Pero isipin mo ang picture.

Habang may investigators na g

Habang may investigators na gustong magtanong tungkol sa honey-trap allegations, habang inaamin na may meetings, habang lumilitaw na lawyers na konektado sa kanya ang naroon, habang may affidavits, habang may usapang ₱5.5 million hanggang ₱6 million, habang pati si Jing Paras ay umaaming napag-usapan si Leviste bilang possible source ng funding...

ang taong nasa gitna ng pangalanan ay nasa labas ng bansa.

At abogado ang nagsasalita para sa kanya.

Karapatan niyang manahimik sa legal proceedings. Pero congressman siya.

Hindi naman bawal itanong ng publiko:

Cong. Leviste, hanggang kailan abogado ang sasagot sa mga tanong na ang pangalan mo ang laman?

Kung walang koneksiyon, bakit lawyers na may professional relationship sa iyo ang nasa meeting?

Kung wala kang alam, bakit pangalan mo ang pinag-uusapang possible source ng milyon?

Kung absurd ang buong kuwento, bakit dumarami ang basic details ni

2026-08-19 16:28:26

Kung absurd ang buong kuwento, bakit dumarami ang basic details ni Ken na kinukumpirma mismo ng kabilang panig?

At higit sa lahat:

Nasaan ka?

Dahil dito nag-iiba ang complexion ng kuwento.

Ang debate ay unti-unting lumilipat mula sa "Nangyari ba talaga ang mga meeting at usapan?" papunta sa mas delikadong tanong:

"Ano ba talaga ang ginagawa nila roon, at hanggang saan umaabot ang koneksiyon ni Leviste?"

Kapag paisa-isang nacoconfirm ang meeting, mga tao, lawyers, affidavits, pera at financing discussion, mas mahirap nang i-dismiss ang lahat bilang simpleng gawa-gawang kuwento.

Hindi kailangang mag-imbento ng conclusion.

Mas nakakabahala ang mga tanong mismo.

Dahil ang pinakamalaking tanong ngayon ay hindi na kung may puzzle.

Meron.

Ang tanong:

2026-08-19 16:28:36

Ang tanong:

Bakit halos lahat ng piraso ay unti-unting lumilitaw...

pero si Leviste, habang palapit nang palapit sa kanya ang mga tanong, ay palayo naman nang palayo sa eksena?

At ano ang picture kapag kumpleto na?

STUDENTS AMONG THOSE CAUGHT SMOKING, VAPING IN PUBLIC PLACES IN ILOILO CITY

Iloilo City continues to strictly enforce its smoke-free policy, with ICAST agents conducting foot and mobile patrols to monitor violations.

Smoking and vaping are prohibited in public places, including plazas, streets, transport terminals, and areas near schools and offices.

Under Regulation Ordinance 2021-255, violators face fines of ₱1,500 for the first offense, ₱2,000 for the second offense, and ₱5,000 for the third and succeeding offenses. A ₱5,000 fine may also be imposed for failure to display required No Smoking/No Vaping signage.

The city urged residents and visitors to follow the ordinance and help keep public spaces clean, safe, and smoke-free.

Ombudsman On Track sa Imbestigasyon ng Taguig Reclamation at Flood Control Projects
May subpoena na pinalabas ang Ombudsman sa Land Registration Authority, Registry of Deeds ng Taguig, DPWH, at pati sa Philippine Reclamation Authority. Lahat ng documents kasi pinadala din namin, kasama na ang 10 title numbers na nakuha namin na kailangan tingnan kung kanino nakatitulo.
Yan ang subpoena na alam kong huling naipalabas ng Ombudsman, at least sa fact-finding nila para magkaroon ng basehan sa kanilang preliminary investigation.

‘SALOT NG LIPUNAN’ - ROQUE KAY CASTRO

Former presidential spokesperson Harry Roque took offense at Palace Press Officer Atty. Claire Castro’s remarks that some teachers may contribute to students’ improper behavior following the Ateneo de Zamboanga University shooting.

Castro earlier said schools, alongside parents, have a responsibility to guide young people, while claiming that some teachers have taught students to be disrespectful toward others.

Roque, who said he is the child and grandchild of public school teachers, strongly criticized Castro over the statement.

“Dahil anak at apo ako ng mga public school teachers; ikaw, Ante Kler, at ang iyong among vangag, ang mga salot ng lipunan!” Roque said.

Castro’s remarks have also drawn public criticism, particularly from teachers who objected to the suggestion that educators contribute to students’ disrespectful behavior.

‘WHERE IS THE VICE PRESIDENT IN ALL OF THIS?’

Muling nanawagan si Counsel for the Prosecution Atty. Lorna Kapunan kay Vice Pres. Sara Duterte na dumalo sa impeachment trial at sagutin ang mga paratang sa kanya.

“If you want transparency, you should start with yourself. Where are you spending your billions in vice presidential funds?” saad ni Kapunan.

“Hindi ‘yan (confidential funds) regalo sa’yo, public funds po ‘yan,” dagdag pa niya.

A Chinese animated film called Niu Lai has gone viral for all the wrong reasons — but the attention is now turning into box office success.

The five-year passion project, made by a mother-and-son team, was initially criticized online for its unusual animation and confusing story. After 9 days in theaters, it had reportedly earned less than $1,400.

But everything changed after the film became an online sensation. Its box office has now surged to over $2.1 million, including a massive $74,000 jump in a single day.

Interestingly, some viewers are now defending the film, praising its handmade animation and the genuine effort behind it in an age dominated by AI and highly polished productions.

Niu Lai is even gaining attention alongside Christopher Nolan's The Odyssey at the Chinese box office.

Let's see how far this unexpected viral hit can go!

Jack Sparrow may be back — but this time, he reportedly won’t be the main character! 🏴‍☠️

The next ‘Pirates of the Caribbean’ movie will reportedly focus on a new main character played by Margot Robbie.

Johnny Depp could also return as Jack Sparrow, but the iconic pirate would reportedly have a smaller supporting role.

The movie could give the franchise a fresh direction while still bringing back one of its most beloved characters.

'TAMA NA ANG PAGIGING MARITES NG IMPEACHMENT'

TINGNAN: Sa isang pahayag, tinalakay ni Davao City 1st Rep. Paolo Duterte ang nangyaring pamamaril sa Ateneo de Zamboanga Junior High School kahapon, kung saan dalawang estudyante ang nasawi, at ang naging patutsada ni House private prosecutor Lorna Kapunan kaugnay ng impeachment trial ng Bise Presidente.

Ayon kay Duterte, "Ang nangyari sa Ateneo de Zamboanga ay isang krimen na kailangang imbestigahan at panagutin ang mga responsable—not another episode ng impeachment propaganda."

Samantala, sagot ng kongresista sa umano'y "panibagong script mula sa Akbayan" patungkol sa pagpapabilis ng impeachment trial ni Vice President Sara Duterte, "Speedy trial does not mean speedy surrender to a predetermined narrative."

Congressman Paolo "Pulong" Duterte

Atty. Kapunan, tama na ang pagiging Maritess ng impeachment.

Huwag nating gamitin ang isang malagim na trahedya para pilit na isingit ang luma at gasgas mong anti-Duterte narrative.

Ang nangyari sa Ateneo de Zamboanga ay isang krimen na kailangang imbestigahan at panagutin ang mga responsable—not another episode ng impeachment propaganda.

At tungkol sa impeachment, alam naman ng taumbayan kung sino ang ilang buwan nang puro press conference, puro dada, at puro narrative. Parang teleserye na matagal nang na-cancel pero pilit pa ring naghahanap ng bagong season.

Kung may ebidensiya, ilabas. Kung may kaso, patunayan. Pero kung puro salita lang, baka panahon na para tanggapin na laos na ang Maritess narrative at hindi na kailangang piliting maging relevant.

Trabaho ng abogado ang maglatag ng ebidensiya. Hindi maghanap ng bagong tsismis kada may trahedya.

At tungkol naman sa panibagong script mula sa Akbayan na "kung gusto ni Sara ng speedy trial, show up."

Simple lang ang sagot—speedy trial does not mean speedy surrender to a predetermined narrative.

Ang impeachment, kagaya ng mga ordinaryong kaso, ay ang paglalatag ng mga ebidensya na naaayon sa complaint o depensa ng mga partido. Alam ng bawat abogado na hindi kailangan ang araw-araw na presensya ng ating VP sa impeachment trial unless kung gusto niyo lang siyang ipahiya.

Kung gusto nilang marinig ang depensa, hayaan natin na gawin ng mga abogado ni VP ang trabaho nila.

Hindi porke't hindi siya nakaupo sa hearing room ay maaari nang sabihing umiiwas siya sa accountability.

Ang mahalaga ay ang ebidensiya, ang due process, at ang patas na pagdinig.

Mocking Disability Is Not Art

The circulation of a caricature posted by social media user "Richard Art" depicting a public official who is a stroke survivor is insensitive and demeaning. The image appears to make fun of a medical condition, which should never be used as a subject of ridicule.

This act may violate Republic Act No. 7277 (Magna Carta for Disabled Persons), which protects persons with disabilities from humiliation and discrimination. It may also give rise to liability under defamation laws, and, if elements are present, may fall under Republic Act No. 11313 (Safe Spaces Act). Freedom of expression must always respect the dignity of others.

PAGMURA NI DARRYL YAP KAY CLAIRE CASTRO, BINATIKOS

Binabatikos ng ilang netizens si Darryl Yap dahil sa pagmura at pambabastos diumano niya kay Usec. Claire Castro. Bagama't tutol siya sa mga kontrobersyal na pahayag ni Usec. Castro tungkol sa mga guro, iginiit ng netizens na hindi ito dahilan para murahin o bastusin ang isang tao.
